

GOVERNMENT HELP FOR THE SELF-EMPLOYED DURING THE CORONAVIRUS PANDEMIC

The Self-Employed Income Support Scheme (SEISS) has been extended.

If you were eligible for the first grant and can confirm to HMRC that your business has continued to be adversely affected by Coronavirus on or after 14 July 2020, you'll be able to make a claim for a second and final grant from Monday, 17 August 2020.

Those that didn't apply for the first grant but are eligible to claim the second grant (due to being adversely affected by Coronavirus on or after 14 July 2020) will also be able to make a claim.

This second and final grant will be worth 70% of your average monthly trading profits (as calculated for the first grant) and will be paid in a single instalment covering 3 months' worth of profits (capped at £6,570 in total).

Further information can be found in the following link (applications opened as of 17 August):

You will need to apply for the grant yourself as we are unable to do this on your behalf, however if you have any questions or need any help please don't hesitate in contacting us.
